

**App State Athletics
Yosef Club Circle of Excellence Society**

The Yosef Club Circle of Excellence Society (YCE) serves as an annual leadership fundraising entity under the Mountaineers Athletic Fund. The YCE is philanthropic in nature with its members invested in the success of App State Athletics.

Established in 2013, the Yosef Club Circle of Excellence Society was created to recognize App State Athletics' most prominent benefactors that provide annual philanthropic support at the highest levels. Since the inception of the program, 49 individuals have committed more than \$5,400,000.

Both membership levels of the YCE distribute financial support to the annual scholarship budget via the Yosef Club and to the Competitive Excellence Fund in support of head/assistant coaches as well as key administrative staff members. Scholarship support is critical to providing our coaches the funding they need to recruit talented student-athletes. In addition, App State Athletics is committed to hiring and retaining outstanding individuals who impact the lives of our student-athletes and serve our constituents with pride.

Through their generosity, YCE members will help advance App State Athletics exponentially.
YCE members are required to remain at the **Yosef Club's Champions (\$10,000)** annual membership level.
